Subject: HAP pesticides on IRIS spreadsheet
Attachments: HAP pesticides on IRIS 5-28-15.xlsx

Hi Ines

I'm attaching a draft spreadsheet showing more information on the rationales for archiving (or not) pesticides on IRIS.

The spreadsheet shows whether the pesticide is a HAP in the first column and has the names of the IRIS pesticides in the second column. The color of the pesticide name is used to show its status.

Deliberative Process / Ex. 5

It would be great if you could review the information on the spreadsheet and let me know if anything is not clear. This information is all still in draft and no final decisions have been made. Talk to you soon.

Thanks

Norm
